

PDC AUGUST Newsletter

Congratulations dancers! - Congratulations dancers on such a successful week of recital recording! A huge thank you to everyone who helped make this possible, especially our parent volunteers. While this was not the show we had hoped for back in September, many of our dancers were still able to shine on stage, even without an audience! We can't wait to watch the DVD and see all the magic come to life. This wouldn't have happened without the love, support, and cooperation from our PDC families, and we thank you with all of our heart!

Due to unpredictable circumstances of Covid-19, we have decided to make 2 registration periods for the 2020-2021 dance season. As we prepare for the Fall Session, The Putnam Dance Center will have 3 different schedules planned. Depending on how "full" we can open will determine on which schedule we use. For the Fall Session 2020, we will be using the Version 2 schedule. Please see our Registration Information for more details.

***Some class sizes will be limited this year due to the virus. Please contact us to make sure the class has not been filled before mailing in your registration form.
Classes begin Tuesday, September 8th 2020!***
