

# ADC APRIL Newsletter

Happy Mid-April! In many ways, April is one of our busiest months of the year as we prepare for our 26th annual recital, and our first full show since 2019! Our students are finishing up their recital dances and we ask all our families to help them practice so they feel their best on stage next month. Music and videos are being uploaded to Band to help them practice as well. Believe it or not, we are also working on putting next year's schedule together, so please fill out your dancer survey by the end of this week, April 16th! And lastly, we have sent home a lot of information regarding the recital. Please take the time to read through it, and keep it in a safe location to ensure a smooth recital. One of our biggest changes to the recital process this year is adding a wrist band to the guardian of all our younger students so that we can ensure each student is being checked out by the correct person. This information and more can be found in your recital packet sent home with costumes.
