Dear Parents/Guardians and Students

Welcome to Artistry Dance Center! Whether you've been with us for years or are joining our studio family for the first time, we're so happy to have you with us. We're thrilled to kick off our 31st season of dance, and our 6th year as Artistry Dance Center. We ended our 5th year with an incredible recital weekend. Our staff could not be more proud of the dancers for their incredible performances in "The Enchanted Forest" It was truly a celebration of creativity, heart, and hard work. Thank you to everyone who gave their time and energy to help bring that production to life; our volunteers, teachers, and families are what make this place so special. We are excited to dive into the summer season and see our dancers again!

Join us on our next adventure as we step into the world of "Mary Poppins" for our 31st annual recital! While many of you are already familiar with how our season runs, we kindly ask that all families, both new and returning, take a moment to carefully review our policies and registration details. Each year adjustments are made, and we ask that you please read through the 6 forms listed above to ensure a smooth and successful year for everyone!

As a student of Artistry Dance Center, not only will your child learn how to dance in a fun and friendly environment, but they will also learn the value of hard work and discipline, to be respectful of others, how to accept challenges and disappointments, and learn life lessons even if they do not pursue a career in dance. Our goal is to develop coordination, grace, physical fitness, and time management, while building self-esteem and confidence. Through positive reinforcement, our students will gain a lifelong appreciation for music, dance and the arts, while creating friendships and memories that will last a lifetime!
